Requirement's

Quality Policy

We, at RK POLY IMPEX... are Committed to delivering high-quality products and services on-time, every time.

- We Aim to meet our customer's expectations by complying with all applicable Legal, Statutory, Regulatory and Industry standards, while Continuously improving our Processes, Products, and Services.
- We strive to strengthen a culture of Quality and Excellence by involving and empowering all employees to the Continual improvement of our Quality Management System.
- By setting and periodic reviewing measurable Quality Objectives, it helps to enhance QMS performance and achieve long-term success.
